

Rig Pass to Go

Completion of IADC RigPass® Course-to-Go accredited program confirms that personnel have met basic requirements defined by safety and training professionals in the drilling industry, irrespective of the rig's location. These programs also satisfy the SafeLand USA and SafeGulf requirements.

Duration: 1 day

Location: Flexible - On-site at client's premises

Course Size: 15 delegates per 1 day course

The IADC RigPass® accreditation system is designed to meet two requirements:

- To identify core elements of safety orientation programs for new rig employees
- To provide a means of recognizing programs that adhere to those elements
